CITY OF TACOMA LABOR-MANAGEMENT AGREEMENT

PREAMBLE

The City of Tacoma and the several unions comprising the Joint Labor Committee of Tacoma recognize and agree that harmonious relations should be maintained between them and the public generally as all have a vital and common interest in the progress and economic and cultural growth of the City of Tacoma.

All parties concerned, the employees of the City of Tacoma, and the public generally, will benefit by continuous peaceful relations and by adjusting differences that inevitably arise under such circumstances by rational and common-sense methods.

With these ends in mind and with the intent of establishing fair and reasonable conditions of employment through the collective bargaining process, the City Council, as the legislative and governing body of the City of Tacoma, and the Joint Labor Committee of Tacoma, through its signatory unions, have set forth herein certain common conditions of employment and fringe benefits applicable to the employees for whom the Unions have been recognized.

ARTICLE 1 - TERM OF AGREEMENT

This Agreement shall remain in full force and effect from January 1, 2023, to and including December 31, 2024 provided, however, that this Agreement shall be subject to such change or modification as may be mutually agreed upon by the parties hereto. It is the intent of the parties to this Agreement that negotiations for change or modification shall begin at least one hundred and twenty (120) days, and in no event later than ninety (90) days prior to the termination of this Agreement.

ARTICLE 2 - RECOGNITION AND BARGAINING MATTERS

2.1 Scope of Agreement.

2.1.1 This Agreement sets forth the matters common to the member unions of the Joint Labor Committee. While it in no way abrogates the rights and responsibilities of the City and the member unions to bargain regarding matters beyond the benefits described below, including operational procedures regarding the use of benefits described in this Agreement, neither the City nor the member unions will be obligated to bargain at individual union bargaining tables regarding any matter governed by this Agreement.

2.1.2 This Agreement supersedes specific provisions of the Tacoma Municipal Code, City policy or City-wide personnel rules with which it conflicts. Absent such a conflict, employees will be governed by applicable Code sections, policies and personnel rules. The City shall notify the Joint Labor Committee in writing before changing a Code section, policy or personnel rule that encompasses a mandatory subject of bargaining. In the event the Joint Labor Committee does not request discussion and/or negotiations within thirty (30) calendar days of receiving written notice, the City may implement the proposed change without further discussions and/or negotiations.

- 2.1.3** In the event this Agreement is in conflict with a collective bargaining agreement covering an individual member union, the individual member union's collective bargaining agreement shall supersede this Agreement. If an individual member union's collective bargaining agreement is silent on a topic or issue addressed in this Agreement, this Agreement will govern the topic or issue.
- 2.2** **Recognition of the Joint Labor Committee** The City recognizes the Joint Labor Committee of Tacoma, through its signatory unions, as the exclusive bargaining representative for those issues and matters common to all member unions and their employee members, including, but not limited to: (1) the amount of and basic rules regarding vacation leave, holidays, sick leave, personal time off and other leaves; (2) health and welfare plans, coverage and premium costs; (3) Group Term Life and Long Term Disability insurance plans, coverage and premium costs; (4) policies and personnel rules to the extent they address mandatory subjects of bargaining; and (5) City pension plans, including contribution and benefits levels.
- 2.3** **Bargaining Units** Bargaining units represented by the member unions of the Joint Labor Committee, shall be as agreed to between the individual unions and the City of Tacoma, in conformance with the provisions of Chapter 41.56 RCW as last amended, and as reflected in individual Collective Bargaining Agreements.
- 2.4** **Membership in the Joint Labor Committee** For the purposes enumerated above, any exclusive bargaining representative who has been recognized by the City of Tacoma for a bargaining unit(s), may become a member of the Joint Labor Committee provided the exclusive bargaining representative has the consent of the Joint Labor Committee.

ARTICLE 3 - THE BARGAINING PROCESS

- 3.1** **Collective Bargaining Defined.** Collective bargaining shall mean the performance of the mutual obligations of the City and the Joint Labor Committee to meet at reasonable times, to confer and negotiate in good faith, and to execute a written agreement with respect to grievance procedures and personnel matters, including wages, hours, and working conditions, which are common to the members of the Joint Labor Committee, except that by such obligation neither party shall be compelled to agree to a proposal or be required to make a concession unless otherwise provided in Chapter 41.56 RCW as last amended.
- 3.2** **Purposes of Collective Bargaining.** In the process of collective bargaining, the parties shall bear in mind the following general purposes:
- 3.2.1** To provide for fair and reasonable rates of pay, hours, and working conditions;
 - 3.2.2** To promote stability of employment and to establish satisfactory tenure;
 - 3.2.3** To provide for improvement and betterment programs designed to aid the employees in achieving their acknowledged and recognized objectives;

- 3.2.4 To promote the highest degree of efficiency, morale, and responsibility in the performance of the work and the accomplishment of the public purposes of the City;
 - 3.2.5 To provide procedures for the prompt adjustment of all disputes arising in connection with matters covered by this resolution or otherwise;
 - 3.2.6 To promote systematic labor-management cooperation between the City of Tacoma and its employees.
- 3.3 **Bargaining Rights Defined.** Bargaining rights referred to in this Agreement shall be interpreted to mean that management will make no changes to the working conditions, wages, or fringe benefits which would affect a member or members of any recognized bargaining unit without first negotiating with the Joint Labor Committee or other recognized bargaining representative of the employees.
- 3.4 **Payroll Deduction.**
- 3.4.1 **Union Dues.** As evidence of its recognition of employee membership in unions and organizations affiliated with the Joint Labor Committee and other bona fide unions and employees organizations and professional societies, the City of Tacoma agrees that upon receiving notice of an employee's authorization from the Union, it will deduct from the wages payable by the employer to such member, in the manner provided by law, such amounts as such member shall authorize, as dues to the organization, and transmit such dues to the organization. The City shall be given one full pay period advance notice of all dues changes. There shall be no retroactive deduction of dues.
 - 3.4.2 **Voluntary Contribution to Labor Funds, Committees or Subsidiary Organizations.** The City will deduct from the pay of each employee, each month, the amount the employee wishes to voluntarily contribute to a fund, committee or subsidiary organization maintained or established by a labor organization; provided that the employee has submitted a written original authorization form signed by the employee to the City's Payroll Department, and further provided that a minimum of twenty-five (25) employees have authorized a contribution to the same fund, committee or organization. The first deduction will take effect at the end of the month following the City's receipt of sufficient authorization forms. The deduction will occur once per month on the second pay period of the month.

ARTICLE 4 - LABOR-MANAGEMENT COMMITTEE

A City-Wide Labor-Management Committee composed of representatives of the Employer and the signatory unions or employee organizations will be maintained to provide a forum for communication between the parties. The Committee shall exist for the purpose of a year round aid to Labor-Management relations and it shall establish its own rules or procedures, policy, and its time and place of meeting. Unless otherwise agreed by all parties, Committee meetings will not be considered bargaining.

ARTICLE 5 - GRIEVANCE ADJUSTMENT

5.1 A grievance is hereby defined as an alleged violation of a specific Article of this Agreement, or an alleged violation of a specific provision of the City's Compensation Plan or Personnel Rules applicable to employees represented by Joint Labor Committee member unions. This procedure shall be the exclusive mechanism for resolving disputes regarding alleged grievances.

5.2 Time Limits

5.2.1 Time limits within the grievance procedure may be waived or extended by the mutual agreement of the parties. If the Joint Labor Committee fails to act or respond within the specified time limits, the grievance will be considered waived. If the City fails to respond within the specified time limits, the grievance will proceed to the next step of the grievance procedure.

5.2.2 The day after the event, act or omission will be the first day of a timeline under this Article. In the event a time limit under this Article ends on a weekend or holiday, the deadline will automatically be extended to the following City business day.

5.2.3 Submissions will be considered timely under this Article if they are received by 5:00 p.m. on the last day called for under an applicable time limit.

5.3 Submission of Grievances and Responses. All grievances and demands for arbitration must be submitted to the City's Human Resources Director or designee by electronic mail, hard copy and/or fax. The City's Human Resources Director will be responsible for distributing the grievance/demand to the appropriate City representative for response. All City responses will be submitted to the chair of the Joint Labor Committee by electronic mail, hard copy and/or fax.

5.4 Grievance Process

Step 1: The Joint Labor Committee, on behalf of the aggrieved employee(s), will submit the grievance in writing within twenty-eight (28) calendar days of the day the employee or Union knew or reasonably should have known of the events giving rise to the grievance. The written statement will include the facts giving rise to the grievance, the section(s) of the Agreement allegedly violated, and the remedy sought. The Human Resources Director will respond to the grievance in writing within fourteen (14) calendar days of its receipt.

Step 2: Should Step 1 fail to resolve the grievance, within fourteen (14) calendar days following the receipt of the Human Resources Director's written conclusions the Union will submit the written grievance for joint consideration by the City Manager and the Director of Tacoma Public Utilities. The official's joint response will be submitted in writing to the grievance within fourteen (14) calendar days following its receipt.

Step 3: Should Step 2 fail to resolve the grievance, the Joint Labor Committee will submit a demand for arbitration to the City within fourteen (14) calendar days of its receipt of the City Manager's/TPU Director's decision.

5.5 **Arbitration.** The parties may mutually agree upon an arbitrator. In the event that no such agreement is reached within seven (7) calendar days of the Joint Labor Committee's arbitration demand, the Joint Labor Committee will request a list of seven (7) arbitrators from Washington and/or Oregon provided by the American Arbitration Association or from any other mutually agreed source. The parties will split the cost associated with said arbitration list. Within fourteen (14) calendar days following the receipt of the list of eligible arbitrators, the parties' representatives shall meet or confer to select an arbitrator. The parties shall each strike three (3) arbitrators from the list in an alternating order, and the remaining arbitrator shall hear the dispute. The party exercising the strike shall be the loser of a flip of a coin. In connection with any arbitration proceeding held pursuant to this Agreement, it is understood as follows:

5.5.1 The arbitrator shall have no power to render a decision that will add to, subtract from, alter, change, or modify the terms of this Agreement, and their power shall be limited to interpretation of application of the terms of this Agreement. The arbitrator shall be limited in their decision to the grievance issue(s) set forth in the original written grievance unless the parties agree to modify it. Multiple grievances may be combined only by agreement of the parties.

5.5.2 The decision of the arbitrator shall be final, conclusive, and binding upon the parties, and the employees involved.

5.5.3 The cost, if any, of the arbitrator shall be borne equally by the City and the Joint Labor Committee, and each party shall bear the cost of presenting its own case, including any attorney's fees.

5.5.4 The arbitrator's decision shall be made in writing and shall be issued to the parties within thirty (30) days after the case is submitted to the arbitrator.

5.5.5 It is understood that there shall be no suspension of work, slowdown, lockout or curtailment of services while any difference is in process of arbitration pursuant to the terms of this Agreement.

ARTICLE 6 - ENUMERATION OF BENEFITS

6.1 **Domestic Partners.** The City will make available to domestic partners benefits, including insurance, paid leave and statutory Family and Medical Leave, on the same basis that those benefits are provided to employee spouses. Domestic partners will be recognized if the domestic partnership is registered with or recognized by the State of Washington pursuant to RCW 26.60; provided, that the City will continue to recognize domestic partnerships on file with the City as of December 31, 2016, until the participating employee's separation from employment or dissolution of the domestic partnership, whichever occurs first.

6.2 **Medical Insurance.** The City of Tacoma and the Joint Labor Committee have negotiated and put in effect medical insurance programs which will continue in effect for the duration of this Agreement. During the term of this Agreement, the City will provide medical insurance to employees and their eligible dependents through the plans described in Appendix A.

- 6.2.1 Eligibility.** Permanent, project, appointive, and temporary pending exam employees and their dependents are eligible for coverage beginning on the first day of the calendar month following the date of hire, unless the date of hire is also the first working day of the calendar month, in which case benefits eligibility begins on the date of hire. All other temporary employees and their dependents are eligible for coverage beginning on the first day of the calendar month following 60 days of continuous employment from the date of hire.
- 6.2.2 Default Options.** If permanent, project, appointive and temporary pending exam employees fail to enroll or waive medical coverage within the required enrollment period, the employee will be enrolled automatically in the City's default medical plan. The default plan shall be the Regence BlueShield PPO Plan. If a temporary employee fails to timely enroll or waive coverage, the employee will be determined to have waived coverage, until such time as they enroll pursuant to a qualifying life event or an open enrollment period.
- 6.2.3 City Payment of Claims/Premiums.** Except as provided below, the City will pay the claims or premiums (according to the plan selected by the employee) associated with the medical insurance selected by the employee and eligible dependents from the City's Health Care Trust. The City will not use reserve funds for purposes other than paying costs associated with the maintenance and administration of its health insurance plans without the express negotiation and consent of the Joint Labor Committee.

6.2.4 Employee Contributions to Premiums.

Employees selecting employee-only coverage will contribute \$50 per month towards the premium costs of medical insurance. Employees insuring dependents will contribute \$100 per month towards the premium costs of medical insurance.

In addition to these amounts, part-time employees working at least twenty (20), but less than thirty (30) hours per week will be responsible for the remainder of the premium cost of the plan they have selected after the City has made a prorated contribution toward the cost of the plan based on the percentage that the part-time employee's FTE actual hours compensated in the previous month bears to full-time (40 hours per week). Employees will be eligible for benefits based on assigned work schedule. The work schedule shall be determined monthly, for pay periods in the upcoming month. Such schedules will be rounded up to the nearest four (4) hour increment. Part-time employees working thirty (30) or more hours per week will make contributions equal to those of full time employees. For all other purposes or benefit calculations, the City's definitions and policies regarding part-time employment will govern.

- 6.2.5 Wellness Credit.** Employees participating in wellness will receive a \$20 per month credit toward their premium contribution for medical insurance coverage under the Regence PPO Plan or Kaiser Permanente HMO Plan, or a \$40 per month credit toward their premium contribution for coverage under the Regence HDHP/HSA Plan. Employees in a temporary status are not eligible to receive the credit.

Employees or their eligible dependents may not be insured on more than one City medical insurance plan. If an employee has a spouse/domestic partner or adult child under the age of 26 working for the City, and each completes the participation requirements of the Wellness Incentives, each employee will receive the Wellness Credit toward the employee premium contributions for medical insurance coverage.

6.2.6 Contributions to HSA Accounts. Employees who select the Regence HDHP/HSA Plan will receive the following annual contributions to a health savings account. Contributions will be deposited on a monthly basis. Employees may contribute to their own accounts up to the maximum dollar value permitted by applicable law.

- a. Employees Who Participate in Wellness – \$1250 per year for employees selecting employee-only coverage; \$2500 per year for employees insuring one or more dependents.
- b. Employees Who Do Not Participate in Wellness – \$500 per year for employees selecting employee-only coverage; \$1000 per year for employees insuring one or more dependents.

6.3 Dental and Vision Insurance. The City will provide dental and vision insurance to employees and eligible dependents according to the terms of its insurance plans. The City will not make changes to its dental or vision insurance plans during the term of this Agreement without first bargaining with the Joint Labor Committee. The City will pay the full premium cost for dental and vision insurance for employees and eligible dependents. Part time employees working at least twenty (20), but less than thirty (30) hours per week will be responsible for a prorated contribution toward the cost of the plan based on the percentage that the part-time employee's FTE actual hours compensated in the previous month bears to full-time (40 hours per week). Part-time employees working thirty (30) or more hours per week will make contributions equal to those of full time employees. For all other purposes or benefit calculations, the City's definitions and policies regarding part-time employment will govern.

6.4 Dual Coverage. No City employee or eligible dependent may be insured under more than one City medical, dental, or vision insurance plan. Employees whose spouses/domestic partners/children up to age 26 are eligible for medical insurance benefits through the City will share the costs of insurance as follows:

6.4.1 Employees Choosing the Same Plan – One spouse/domestic partner will be placed on the other's medical, dental, or vision insurance, and the primary spouse/domestic partner will pay the appropriate premium cost for family coverage.

6.4.2 Employees Choosing Different Plans – If spouses/domestic partners elect coverage under different plans, they may not provide coverage to their spouse/domestic partner on their medical, dental, or vision insurance plan. Each employee will pay the appropriate cost share (individual or family) depending on whether they include children on their plan.

6.4.3 Children up to Age 26 – Benefit-eligible employees whose parents are City employees must elect coverage in their name (paying the applicable premium

contribution) or coverage as a dependent on their parent's plan (with no premium contribution), but may not receive coverage under two medical, dental or vision insurance plans.

6.4.4 Dual Coverage Wellness Credit - If an employee has a spouse/domestic partner or adult child under the age of 26 working for the City, and each completes the participation requirements for the Wellness Incentives, each employee will receive the Wellness Credit toward the employee premium contribution for medical insurance coverage.

6.5 **Opt Out With Proof of Insurance.** Subject to any applicable legal restrictions imposed by the Employer's medical, dental and vision insurance providers, full-time and part-time employees may choose to opt out of the Employer provided medical, dental and/or vision insurance. To be eligible to opt out of the medical, dental and/or vision insurance, full-time permanent, project, appointive, and temporary pending exam employees shall be required to: (i) provide the Employer with written proof of alternative medical, dental and vision insurance coverage; and (ii) notify the Employer in writing within thirty (30) calendar days if he/she should lose their alternative medical, dental and vision coverage.

Employees' PTO accrual rates shall be established as of January 1 of each calendar year and shall be based on the rate applicable to the number of years of aggregate service the employee will complete within that calendar year. An employee may accrue a maximum of 960 hours of PTO.

6.9 On-the-job injury shall be as provided in Section 1.12.090 of the Tacoma Municipal Code. That section provides in part:

6.9.1 In the case of a disability covered by State Industrial Insurance or Worker Compensation, the first three (3) calendar days shall be paid at the regular normal pay and charged to earned leave, in the event the time loss is less than fifteen (15) calendar days.

6.9.2 For one-hundred-twenty (120) working days, the City will pay a supplement payment such that State payment plus City supplement equals eighty-five percent (85%) of regular normal pay.

6.9.3 Pursuant to Ordinance 27753, adopted November 18, 2008, after the payment and use of the one hundred twenty (120) working days, the employee may request to use accumulated sick leave and/or planned time off (PTO) balances to supplement the time loss pay such that the combination of the supplement and the time loss pay equals eighty-five percent (85%) of the employee's normal wage (the employee's rate at the time of injury plus any longevity pay to which the employee is eligible). If the employee elects to use paid sick leave and/or PTO the election will continue until such balances are exhausted or until the employee returns to work. Hours deductions from the employee's PTO or sick leave balances shall be determined by dividing the supplement by the employee's regular hourly wage. Example: Assume a supplement amount of \$596 dollars is necessary to bring the total to 85%. If

- 6.9.5** The above does not apply to Police and Fire commissioned hired prior to October 1, 1977, however, such employees shall have on-the-job injury claims charged against their sick leave accruals in the same manner as other employees of the City.
- 6.9.6** For the purposes of this Section, regular normal pay shall be that rate of the classification in which they were working in on the date of injury.
- 6.10** Group Life Insurance shall be as provided in Section 1.12.096 of the Tacoma Municipal Code. The City will pay one hundred percent (100%) of the cost of premiums for those employees electing to participate. The amount of insurance an employee may purchase is based on their annual salary rounded to the next highest \$1,000 of coverage.
- 6.11** Longevity pay may be provided to employees of member unions pursuant to the terms of Ordinance 20938, which reads in part as follows:
 - 6.11.1** Regular, probationary, and appointive employees who through union agreement have elected the option of longevity pay shall receive additional compensation based on a percentage of their base rate of pay received for the class in which they are currently being paid. - 6.12.2** In addition to the days listed above, eligible employees shall receive two (2) additional eight (8) hour paid floating holidays per calendar year for which time off shall be mandatory. Floating holidays may not be carried over from one calendar year to the next, and may not be converted to cash in any circumstances. To be eligible for these floating holidays, employees must have been or scheduled to be continuously employed by the City for four (4) months as a full-time or part-time regular, probationary, or appointive employee during the calendar year of entitlement. An employee hired into a part time status shall receive holiday pay on a prorated basis on the hours that he/she is hired to work.
- 6.12.3** Full time employees working alternate schedules who are normally scheduled to work more than eight (8) hours on a day observed as a holiday may use vacation leave, personal time off, compensatory time, or leave without pay at the employee's option to make up the difference between the employee's normally scheduled shift and the eight (8) hours of holiday pay.
- 6.12.4** Unpaid Holidays. Employees will be granted two (2) unpaid holidays per calendar year for a reason of faith or conscience or an organized activity conducted under the auspices of a religious denomination, church, or religious organization. The employee will select the days on which to take the unpaid holiday(s) after consultation with his or her supervisor as provided by City policy. To the extent reasonably possible, employees should submit leave requests with at least thirty (30) calendar days' notice. Employees may elect to use accrued vacation leave, PTO, compensatory time or floating holidays to remain in paid status on a requested holiday to the extent that such leave is available on the requested date under applicable policies, procedures and/or collective bargaining agreements governing the use of paid leave. An unpaid holiday requested pursuant to City policy will not be denied unless the employee's absence would impose an undue hardship on the City, as defined by applicable rule or regulation.
- 6.13** The City shall contribute up to \$3.00 per month for long term disability coverage for all permanent non-commissioned City employees.
- 6.14** The City will maintain an Internal Revenue Service Code Section 125 flexible benefits plan. The City shall pay the monthly per participant administrative fee. Employees cannot utilize this plan for Long Term Disability premium payments. Employees who participate in the City medical plan will be eligible to participate in

the Section 125 flexible benefits plan. The maximum annual allowable employee contribution for medical reimbursement shall be based on IRS regulations. At the end of each year any unspent monies in employee flexible benefits accounts will revert to the Labor/Management Health Care Trust Account.

6.15 Wellness

6.15.1 Wellness Committee. The parties will maintain a Labor Management Health Care Committee (aka Wellness Committee) during the term of the Agreement to discuss and address issues regarding the City's insurance programs and wellness program. The Wellness Committee will be comprised of four (4) City and four (4) Labor representatives. The Committee will:

- a. Develop monthly or bimonthly newsletters to help educate and encourage the City employees.

INDEX TO SUPPLEMENTAL AGREEMENTS

DESCRIPTION	DATE SIGNED
1. Aspiring Leaders Program (Internal Internship) LOU	5/8/2019
2. Automatic Vehicle Location – Global Positioning System Information MOU	9/16/2019

Letter of Understanding
By and Between
City of Tacoma and
Tacoma Joint Labor Committee

Subject: Aspiring Leaders Program (Internal Internship)
Executed: May 8, 2019

The signatories to this Letter of Understanding agree to the following conditions in order to create an opportunity for employees to gain broader knowledge, perspective and experience of leadership activities by establishing an organized program for a selected intern(s) to shadow City executives and their staff over an eight-week timeframe. In addition to gaining valuable exposure through regular access to senior leadership, the selected intern(s) will also be responsible for completing an assignment by the end of the program.

The terms of the program are as follows and temporarily replace the terms and conditions as outlined in the current collective bargaining agreement, specifically with respect to schedule, overtime pay, travel time and meal allowances, and eligibility for call outs.

- Duration of the program: Eight (8) weeks, unless otherwise agreed by the Executive and the intern
Work Week: 40 hours per week; Monday through Friday, 8 a.m. - 5 p.m.
Daily Schedule: Typically 8 a.m. - 5 p.m., with a 1 hour unpaid lunch; hours of work may be adjusted.
Flexible Schedule: Hours of work may be adjusted to provide flexibility in attendance at meetings, for travel to offsite and overnight meetings.
- Overtime: FLSA overtime eligibility is not impacted by program participation. However, it is expected that hours adjusted due to the demands of a flexible workweek should be flexed within the same workweek. Any work performed in excess of forty (40) hours in a defined workweek shall be compensated at the appropriate overtime rate.
- Compensation: The Intern will be paid at their existing hourly rate of pay or salary (to include longevity), inclusive of any application of rate regularly and customarily received by the employee.
- Meals: Meal allowance will not be paid. Meals will be reimbursed by the City if purchased while on City business. Per diem rate will apply for meals while traveling outside of City limits.
- Call-Out Eligibility: Interns will not be eligible for standby duty or call-out opportunities.

Examples of permissible schedule adjustments:

- Attending a 4-hour City Council meeting and leaving after a half day on a Friday
- Arriving an hour early to accommodate travel outside the city limits for meetings, and leaving an hour early
- Staying until 5:30 p.m. one day and coming in at 8:30 a.m. the next day (or perhaps leaving at 4:30 p.m.)

Other areas that are not explicitly outlined in this memorandum may be mutually agreed to between the parties in an effort to support the continuation and success of this program and the professional development of the employee.

Either the City of Tacoma or the Tacoma Joint Labor Committee on behalf of its member unions may elect to cancel this Letter of Understanding with sixty (60) days' written notice to the other party of its intent.

Tacoma Joint Labor Committee and
City of Tacoma
Memorandum of Understanding

Subject: Automatic Vehicle Location - Global Positioning System Information
Effective Date: September 16, 2019

The City of Tacoma and Tacoma Public Utilities has and will install Automatic Vehicle Location/ Global Positioning System devices (AVL/GPS) on vehicles that are used by the City. Additional equipment provided to employees such as mobile phones and tablets may have GPS tracking capabilities.

The purpose of these devices is to enhance response time to service requests, better manage fleet assets, and most importantly provide improved worker safety.

The logs and records generated will also provide added security to City and TPU equipment. These records are not intended to provide direct evidence of employee misconduct or wrongdoing and will not be the sole source of evidentiary information in a disciplinary action. It is understood that these devices may create a record - no different from a telephone or a computer - of possible misconduct or misuse of City equipment. Such data may be used as evidence supporting employee counseling or discipline should a behavior warrant it. AVL/GPS data more than one (1) year old at the initiation of a disciplinary investigation will not be used as evidence in employee discipline.

The installation and enabling of this technology does not change in any way current expectations of employee conduct and performance.

In summary:

1. The AVL/GPS technology is primarily used for gathering location and maintenance information on employees and equipment.
2. All vehicles with AVL/GPS tracking technology should be clearly identified. Even if no sticker or marking device is evident, employees should assume all vehicles and City equipment have AVL/GPS tracking enabled.
3. Should an employee be discovered at a location that management has reason to believe is questionable, management is expected to raise its concern with the employee in a timeframe appropriate to the discussion, review or investigation of the concern raised by the data.
4. Data generated by these devices are maintained and retained as any other electronic business record of the City and shall be made available to the union on request.
5. This policy does not authorize audio recording of employees in City vehicles except in those Departments/Divisions where it is the current practice. Should a Department/Division desire to begin audio recording of employees in City vehicles, the City will bargain with the impacted employee union(s) consistent with RCW 41.56.
